ABOUT.

I am a motion graphics artist/illustrator passionate about all things animation. I love telling stories through motion and I am excited to collaborate with you! I am detail oriented, creative, speedy, and excited to bring your work to the next level.

EXPERIENCE.

✨ SENIOR MOTION GRAPHICS DESIGNER • StudioRX

January 2023 - Present

- Leading the creation of a character pipeline within the agency - including rigging, character breakdown, bidding and supervision of character heavy work
- Frequently give presentations in front of both clients and peers
- Provide animation and art direction

● MOTION GRAPHICS DESIGNER • StudioRX

March 2020 - January 2023

- Provided design and illustration support for conceiving, storyboards, style frames and animated assets
- Worked closely with company leadership to storyboard, illustrate, art direct, and animate a piece presented to the whole company

● JUNIOR MOTION GRAPHICS DESIGNER • StudioRX

January 2019 - March 2020

- Frequently learned new skills and techniques on the job
- Maintained an organized work flow and file structure
- Solved problems and helped clients bring their visions to life

● MOTION GRAPHICS INTERN • StudioRX

May 2018 - July 2018

- Worked independently and with peers to create both long and short form animations using Adobe After Effects
- Presented an award winning pitch to heads of company

✨ FREELANCE DESIGNER + ILLUSTRATOR

Clients Include: Bushwick Starr • Woolly Mammoth Theatre • Independent Artists • 2018 - Present

- Collaborate with clients and solve problems through design and illustration
- Successfully manage multiple projects and deadlines for both print and digital media
- Illustrate and design in a variety of styles in order to fit clients' needs
